**PETITION TO REVIVE APPLICATION UNDER 37 C.F.R. §1.137(b)**

Sir:

The above-identified application ("subject application") was indicated in the Notice of Abandonment, mailed February 25, 2002, to have gone abandoned due to "Applicant's failure to timely file a proper reply to the Office letter mailed on 09 August 2001." Applicants contend that the Notice of Abandonment was mailed in error and hereby petition to revive the subject application under 37 C.F.R. §1.137(b).

**FACTS SUPPORTING PETITION**

On August 9, 2001, an Election/Restriction Requirement was mailed in the subject application to the Legal Department of U.S. Surgical Corporation ("USSC"). The

Election/Restriction was received in the Legal Department of USSC on August 14, 2001 and promptly forwarded to Carter, DeLuca, Farrell & Schmidt ("CDFS"), outside counsel for USSC. A response to the Election/Restriction was prepared by Christopher Trainor, Esq., an associate at CDFS, and filed with the U.S. Patent and Trademark Office on September 10, 2001. A return postcard acknowledging receipt of the response to the Election/Restriction by the U.S.P.T.O. on September 13, 2001 was returned to CDFS.

On February 25, 2002, a Notice of Abandonment was mailed in the subject application indicating that the subject application was abandoned due to "Applicants failure to timely file a proper reply to the Office letter mailed on 09 August 2001." Subsequently, the Notice of Abandonment was forwarded to CDFS by facsimile. Through a docketing error at CDFS, the above-identified application was filed and went unnoticed until a copy of the Notice of Abandonment was discovered by the legal staff at USSC and forwarded again to CDFS in October of 2003. Thereafter, CDFS diligently prepared this Petition.

In light of the facts set forth above, Applicants hereby petition for revival of the subject application under 37 C.F.R. §1.137(b). Accompanying this petition are:

- i) a copy of the Response To Restriction Requirement filed September 10, 2001;
- ii) a copy of the postcard acknowledging receipt of the Response To Restriction Requirement on September 13, 2001; and
- iii) the petition fee as set forth in C.F.R. §1.117(m).

The entire delay in filing this petition, including the resubmission of the Response To Restriction Requirement, from the due date of the response to the filing date of this petition was unintentional.

The petition fee under 37 C.F.R. §1.17(m) of \$1,330.00 is attached by check to this petition. Please charge any deficiency as well as other fee(s) which may become due under 37 C.F.R. §§1.16 and/or 1.17, at any time during the pendency of this application, or credit any overpayment of such fee(s), to Deposit Account No. 50-2140. TWO COPIES OF THIS SHEET ARE ENCLOSED.
